

Thomas Powel - C.V.

Trustworthy, practical and self-motivated, I'm physically fit and enjoy being outdoors in all weathers.

Keen to start a career in construction, I am seeking full or part-time labouring work so that I may gain roofing related experience and skills. In return I would commit to Paragon Roofing, providing you with a dependable, hard-working employee who is keen to support your company objectives.

EXPERIENCE

March 2018 to March 2019

Customer Assistant | Pete's Bakery | Helston, Cornwall.

- Overseeing the safety of those using the facilities and responding to emergencies.
- Ensuring health and safety regulations were adhered to by both visitors and staff.
- Cleaning and tidying site to remove any possible slip or trip hazards.
